

Great childhoods begin at home.

Family home visiting

Working together to build a secure foundation for babies and their families... All parents want the best for their children, and we know you are one of those parents! As you watch your child grow, our Healthy Families program provides the support and encouragement you need every step of the way.

Home visitors provide services to help families with:

- Identifying baby's needs
- Learning how to bond with their child
- Ensuring families have a medical provider
- Sharing information on the child's development
- Linking families to other resources in the community
- Helping families feel more empowered
- Setting goals for themselves and their families

This unique program is free for qualifying participants. For more information about the Healthy Families program, call CHI St. Joseph's Health Community Health at (218) 255-1272.
