Footnote 1 - CHI St. Joseph's Health Primary Care Clinic used data from July 2024 to March 2025 to provide gross charge amounts and estimated allowed amounts.

Footnote 2 - CHI St. Joseph's Health Primary Care Clinic plans to increase charges on July 1st, 2026.

Footnote 3 - The above amounts are CHI St. Joseph's Health Primary Care Clinic's good faith effort to comply with Minnesota Statute 62J.812. This statute requires each provider to maintain a list of the services over \$25.00 that correspond with the provider's 25 most frequently billed current procedural terminology (CPT) codes. This list shall include the provider's ten (10) most commonly billed evaluation and management codes, and the ten (10) most frequently billed CPT codes for preventative services.

Footnote 4 - CHI St. Joseph's Health Primary Care Clinic final charge and allowable amount may deviate from the above illustration. We have put forth a good faith effort to provide the required disclosure. The disclosure above is not a final charge or allowed amount as historical data was used to develop the above financial figures.

Footnote 5 - If an item is denoted above as "N/A", which stands for not available, there was not enough recent claim activity that was fully adjudicated (paid) to provide a reasonable estimate of the allowed amounts.

Footnote 6 - If you have questions please contact CHI St. Joseph's Health Primary Care Clinic at 218-616-3900.
