## Welcome

We welcome you to share your time and talents with the CHI St. Joseph's Health Auxiliary. Participation is open to anyone interested in enhancing health care and making a difference in the lives of people residing in our community.

Being a part of the CHI St. Joseph's Health Auxiliary provides flexibility and a wonderful opportunity to be involved at any level of commitment that fits your interest.

## Making a difference

The Auxiliary was originally formed in 1955, working alongside the Sisters of St. Joseph's to help fulfill the needs of our growing hospital. Our mission has been to raise funds to support the hospital, patients and staff. Since its inception, the Auxiliary has proudly helped raise over \$1 million in service and financial support for St. Joseph's. Funds raised help to purchase needed items and enhance patient care and comfort.

## Groups

CHI St. Joseph's Health Auxiliary consists of an Executive Committee and several groups that work together to accomplish our overall mission. Each group meets monthly to organize special events that take place throughout the year, but most importantly...they have fun!

## Associate Auxiliary Volunteers

Interested in becoming a part of the Auxiliary, but can't commit to monthly meetings? We invite you to become an Associate Auxiliary Volunteer. This is a casual option that allows you to participate in special events, assist with projects and volunteer during times that are convenient for you. All contributions of time and talent are appreciated.

## Activities

There are so many great opportunities and ongoing activities that the Auxiliary has to offer. Our fundraisers are the heart of the group. Some of our activities include: Festival of Tables, Chicken Dinner, Garden Stroll, Sweets & Treats holiday event and many more.

## The Shoppe on Pleasant

This is no ordinary gift shop. All proceeds help the Auxiliary support projects that further our mission. The Shoppe on Pleasant is staffed by a Gift Shop Coordinator and hours filled in by our volunteers. If you have a couple hours a week that you can spare, we would truly appreciate your gift of time.

## Community support

The Auxiliary is very active in community events and provides support to a variety of programs. We collaborate with other volunteer organizations not only for the best interest of the hospital, but for the entire community we serve.

Good people doing amazing work!
